

To our fellow Southerners we say, we need only use the tools and numbers God has given us. We need only declare our independence, one by one, from the malignant culture that poisons our very lifeblood as a people.

The **League of the South** is an organisation of God-fearing patriotic citizens who love the Republic handed down by our forefathers. We are laborers, doctors, teachers, pastors, college professors, lawyers, businessmen, students and your neighbors.

We cordially invite you to join us in our mutual cause. We have a vision. Do you dare dream with us? Can you bear to tell your grandchildren that you were not named among us? Take your stand today! Join the League of the South!

## OUR PURPOSE

For our beloved Southland, a free and prosperous Southern Republic. Our own nation founded upon private property, free association, sound money, low taxes, secure borders and armed and vigilant neutrality. We seek self-governing states and local communities invoking the favour and guidance of Almighty God. A bold, self-confident civilisation based on its European roots.

To this end, we seek to advance the cultural, social, economic and political well-being and independence of the Southern people by any and all honourable means.
